# The Monks ~ ~ A brief history

More than one year has been traced for the formation of HAMBLE CLUB but it is 1969 that is presently deemed to be correct. Formed as Hamble FC they made steady progress through the Southampton Junior Leagues before merging with a Sunday team, called Hamble Club and adopted their name in 1981. From the senior divisions, Hamble Club were promoted to the Hampshire League in 1993. They moved from their Mount Pleasant base to the Old College Fields and made a further move to what was then known as the Shell-Mex Ground during the 2002/03 season which remains their present home. Wessex members between 2004 and 2007, Hamble became Hampshire Premier League founders but they failed to complete the 2012/13 season and had to start a division lower. But this heralded the start of an upturn as they gained four promotions in five years, including one in their first season back in the Wessex League in 2017.

The club was established in 1969, originally as a youth team. In 1993 they joined Division Three of the Hampshire League. The club were Division Three champions in 1996/97, earning promotion to Division Two. In 2004 the Hampshire League merged into the Wessex League, with Hamble becoming members of the new Division Three. In 2006 the division was renamed Division Two, but at the end of the 2006–07 the division was disbanded and the club became founder members of the Hampshire Premier League.

Hamble pulled out of the Hampshire Premier League during the 2012/13 season. Although they were readmitted the following season, they started in the newly formed second tier of the league, Division One. The club were Division One runners-up in 2013/14 and were promoted to the Senior Division and went on to win the Senior Division in 2014/15. After finishing third the following season they were promoted to Division One and then were Division One champions in 2016/17, earning promotion to the Premier Division.

# Club History: AFC Stoneham ~ The Purps

The Club was founded in 1919 as the Royal Engineers (Ordnance Survey Office) FC by soldiers returning from the First World War although there is a record of matches being played by Ordnance Survey Royal Engineers against The Gentlemen of Tenby in 1888. We joined the Southampton Junior League in 1919 and won the Junior 'B' in 1920/21 and were admitted to the Hampshire League Divisional Section which was a Junior League with no automatic right for promotion. They were runners-up to Cowes in their first season, but no promotion.

The Divisional Section was split into East & West section the following year and the club finished mid-table in the East Division. Around that time the club began a long association with the Civil Service Ground. Nicknamed 'The Mapmakers' it's believed they merged with the Post Office Team when they moved to the Civil Service Ground and formed a new club, Southampton Civil Service in 1923/24 and finished fourth in the West Division. The Royal Engineers (OSO) split from the Civil Service side the following year but the Engineers certainly found their bearings in the West Division in 1924/25 by finishing runners-up, a point behind Totton. Again, there was no automatic entry to the Hampshire County Division to the frustration of both clubs. The Royal Engineers (OSO) and Southampton Civil Service continued to use the Civil Service Ground and developed a rivalry in the Western Division with the ascendancy shifting one way and then the other. The club simplified its name in 1929 to Ordnance Survey but the side struggled in the bottom three or four places in the league, reaching rock bottom of Division Two in 1930/31, but sixth out of fourteen the following season. Finishing third from bottom in 1933/34 the club slipped out of County Football for what proved to be sixty-four years, returning to the Southampton Senior League.

Success became hard to come by although the reserves won the Southampton Junior 'B' Cup in 1937. The club switched to Sunday Football from 1960 to 1966 then returned to Saturday's re-joining the Southampton Junior Division 8. The club swiftly worked their way through the junior ranks and achieved promotion to the Premier Division for a short period in 1973. The club won the Senior Division One title twice in 1982/83 and 1992/93, and the Reserves lifted the Junior 'A' Cup in 1993.

The club grew in size from that year with a 3rd XI and a veteran's XI being formed. The Veterans side had much success winning Junior 6 in 1996 and gained successive promotions before becoming founder members of the now very popular Veterans League. The first team won the Premier Division of the Southampton Senior League in 1996/97 which took them back into the County fold. The club just missed what should have been a unique treble, each time they have joined the league in their own right they have finished runners-up in their first season.

In both the 1921/22 and 1924/25 seasons this feat was accomplished but they were just two points short of repeating this in 1997/98.

However, this was put right the following season as they finished runners-up to Clanfield in 1998/99 and gained promotion to the newly formed Hampshire League Division One.

By now the club had realised that a stable future lay in the hands of young players and set up a youth policy starting with an Under 16 side in the first year and an Under 18 side starting in 1998. This proved a great success as the U18's side won the Southampton Youth Division Three at the first attempt gaining promotion to Division Two. In this season the Vets gained promotion to Division Two in addition to winning the Veterans Cup. Even though the 1998/99 season was a great success for the club on the field an era ended as the Civil Service Ground was closed at the end of that season. Fortunately, with the help of the local council, 'Survey' were relocated to Lordshill Recreation Ground. The club knew that this was to be a temporary arrangement and moved to their new home ground at Stoneham Park in 2002. The First Division of the Hampshire League proved to be too strong and the club were relegated in their first season at the higher level (1999/00). Positions of 11th, 8th, 4th, and 6th were attained before the formation of the Wessex League Third Division in 2004/05. The team finished 13th and 12th in that league before opening a new chapter in the club's history by changing its name to Stoneham in 2006. After finishing 14th in the Wessex League Second Division, in 2006/07, the club along with sixteen other teams became founder members of the newly formed Hampshire Premier League which was set up following the dissolution of the Wessex League bottom division. During the 2007 close season the club decided to enhance its name by adding 'AFC' to Stoneham, which had an immediate effect with AFC Stoneham winning the Hampshire Premier League in the 2007/08 season and reaching the final of the leagues Senior Cup, just missing out on an impressive double. 2009/10 saw the Senior League Cup added to the honours list while the U16 team won Division 3 of the Southampton Youth League. Further success followed in 2011/12, having moved again to Jubilee Park the previous season, with the Reserves completing a League and League Cup double and the U16 team winning their League for the third season in a row.

The First Team also went to St Marys in the Southampton Senior Cup Final for the first time and beat Bush Hill to achieve their highest honour to date. The Club also combined with Granley Rovers FC incorporating a complete youth setup into the Club which now provided football from Minnows through to Veterans.

The success of the previous season was continued into 2012/13 with the Club joining an elite list of teams who have retained the Southampton Senior Cup with a win against Brockenhurst on penalties. The Southampton U18 team won Division 2 and many of the Clubs now 17 teams reached finals and semi-finals and finished in high league positions. In 2015 the Club earned promotion to the Wessex League whilst winning the Hampshire Premier League Cup for the second time. The Club finished 8th in their first season in the Wessex League Division 1 and our youth teams won the Testway League Cups at under 15 and 16 whilst our under 18 Hampshire Youth team won the Hampshire Youth League Cup. This season also saw the first Ladies team competing in Hampshire Women's Division 1.

Season 2016/17 saw us switch on our brand-new floodlights on October 6th 2016. The first team ventured into the FA Vase for the first time in our history navigating past Malmesbury Victoria and Longlevens both from the Hellenic League before losing to Shaftesbury. We beat Aldershot Town 5-0 in the Russell Cotes Cup before losing to Southern League Premier Gosport Borough 3-2 in the quarter final and went out at the same stage of the Hampshire Senior cup 2-0 at Basingstoke Town. Our reserves, with the emphasis now very much on developing young players from our youth system, reached the final of the Wyvern Combination Cup losing 2-1 to Southern League Petersfield Town. Our first team finished 8th again in our 2nd season in Wessex Division 1.

Season 2017/18 saw us improve our league position to 5th whilst reaching the final of the Russell Cotes Cup losing to Wessex League Premier Champions Andover Town 1-0 in the final at their ground in front of over 500 people. We enjoyed memorable nights on the way to the final winning 4-3 at AFC Portchester in the quarter final and 3-1 at AFC Totton in the semi-final.

During the 2018-19 season the first X1 went 20 league games without defeat, one of only three teams at our level in the country to do so as we pushed for promotion to the Wessex Premier League.

For the first time in our 100-year history we entered the FA Cup as one of the lowest ranked teams in the competition and had tremendous victories at AFC Portchester 3-0 after a replay and 2-0 at home to Evo Stick South league Westfield from Woking. Sadly, our adventure was curtailed by Cirencester Town in the next round at home in front of over 350 supporters. Prior to the Cirencester game, and as the lowest ranked team left in the competition, we had a visit from the FA Cup with many of our junior players and first team present for photos on a memorable day which brought the club both TV and National newspaper coverage. Our first ever FA Cup adventure will live in the memory for a very long time. We finished 2018/19 with a Southampton Senior Cup final at St Marys Stadium where we unfortunately lost 3-0 to Alresford Town. The cup run to the final saw us win at both Wessex Premier league Lymington Town and Hamble before winning a memorable semi-final against Winchester City 4-3 having been behind three times and winning in the 94th minute with a Ben Clarke goal.

We finished our league campaign as Wessex Division One champions on another memorable night at Totton and Eling where we clinched the title with a 3-3 draw having played three games in five days. The 2018/19 season was undoubtedly a fantastic one for the club allowing us to take on the challenge of the Wessex Premier league for the first time in our history.

Our first ever season in the Wessex Premier league was curtailed due to the covid-19 pandemic however we took huge positives from the season sitting 2nd in the league when lockdown determined that the season became null and void. We had already moved to our new £10m home in January whilst still maintaining our old Chestnut Avenue ground for pre-season training and games prior to its sad closure in October 2020. The old ground will always hold fantastic memories being remembered with huge affection as the place that the club both wrote our recent history and was allowed to grow and develop whilst we remain very ambitious to progress further in our new home.

Season 2020/21 again proved to be another affected by the pandemic. With the League determining movement up the football pyramid based on performances over the preceding two seasons, AFC Stoneham found themselves in the shake up for a place in the Southern League. Ultimately, pipped by Lymington Town for the upward movement, the club are extremely proud of the undoubted progress made. The club enters the 2021/22 season with 76 teams and 900 players, with a very positive outlook on the future. Our 1st full season in the Wessex League saw us finish in 5th place. 2022/23 This was our most successful season in the Wessex League missing out on promotion to step 4 by goal difference behind Horndean & Bemerton Heath Harlequins. 2023/24 A touch of Deja-vu as The Purps finished second in the normal season but lost out in the play-offs to Shaftesbury

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

## JON COUCH

AMIDST the serious stuff confined behind the closed doors of a football club boardroom, a level of humility is so important.

Football is a different animal these days – especially at elite level – with the Beautiful Game now almost a subsidiary to a ruthless, cut-throat business enterprise.

But Non-League football, where the game is at its purest, still proudly holds its traditional values and there's one day a year in particular where that humility comes to the fore; April Fool's Day.

Fuelled largely these days by their social media presence, football clubs simply can't resist playing a light-hearted seasonal prank on their supporter base and, let's face it, it gets us every time!

Take Ebbsfleet United's Liam Daish being pictured holding aloft a Usain Bolt shirt with his 100m record 9.58 emblazoned on the back after the club announced they had clinched the signing of the Jamaican sprinter.

Or, how about when the United Counties League announced they were to trial VAR – a reveal so convincing that it even fooled some FA chiefs into questioning the move around the boardroom table.

This week, of course, the tricksters were out in force again – and your Non-League clubs didn't disappoint.

Many pranks involved aspects of stadia with Tiverton Town revealing their intention to paint their pitch in the club's yellow and black colours in a spirited attempt to rally the team for the final stretch of the season.

Farnborough FC announced that their pitch was to double up as a heliport, as an extension of Farnborough Airport, while neighbours Aldershot Town revealed, Del Boy style, that they had discovered a natural spring at their EBB Stadium and would be offering Aldershot Natural Spring Water in the near future. Water cheek!

Crowborough Athletic went a step further by announcing plans to move into a 'world-class' all-seater stadium dubbed "Wembley of the Weald", while Radstock Town also unveiled plans to build a brand new stadium on the site of an old Co-Op supermarket.

Ashington continued the theme by announcing the club were being forced to move into the grounds of the nearby Ashington Hirst Castle by the Coal Authority after a small hole was found in one of the penalty areas, caused by a collapsed seam from the former Woodhorn Colliery.

Several clubs revealed they had signed former star players – with two, ironically, snapping up the same one! Former Fulham, Wigan and Ipswich midfielder Jimmy Bullard was introduced by both SC Thamesmead and Boston Town, while ex-Tottenham favourite and TV pundit Garth Crooks was unveiled by Leighton Town.

Elsewhere, Chorley FC announced the exclusive launch of their club collectables, including a figurine of manager Andy Preece, while Tamworth confirmed that their Lamb Ground will host competitive lamb racing on a matchday as part of their half-time entertainment. That's baa-rly believable!

And in a bold step for international relations, Dover Athletic revealed how they will play their next home game across the Channel in Calais with fans invited to attend the match aboard the new club ferry.

Bishops Cleeve unveiled a new slick oil colour shirt (which actually looked quite nice) in conjunction with a sponsorship deal with petrochemical giants INEOS, while Welsh club Colwyn Bay announced that, as from next season, the club will be known as the Turtles rather than the Seagulls, as part of our new partnership with The Blue Turtle Group, with the team running out to the song 'Turtle Power'.

So, once again for April Fool's Day, our Non-League clubs have done us proud while reminding us that amidst all our airs and graces as football fans, there is always room for a lighter side.

To quote the legendary Jimmy Greaves: "It's a funny old game".

## At the forefront of the fight against cancer.

Macmillan Cancer Support stands on the front lines of the fight against cancer in the United Kingdom. Committed to inspiring, supporting, and guiding anyone affected by cancer, Macmillan invests in everything from innovative fundraising strategies, to campaigns designed to shape the future of cancer treatment. They believe no-one should be forced to tackle this complex enemy alone.

The Macmillan community consists of millions of supporters, volunteers, campaigners, and professionals, all working to help patients and their families lead fuller lives. The Charity's work has already had a phenomenal impact on thousands of people located all over the United Kingdom.

### Inspiring change with innovative marketing.

One of Macmillan's biggest challenges revolves around the development of creative and inspirational campaigns, intended to drive support from millions of participants. The Charity approached Fabrik for our help designing an experiential and interactive marketing campaign that would boost brand awareness and word of mouth marketing.

Our initial "Shave or Style" campaign highlighted a clear desire for supporters to get involved in a bold new movement, that would connect with a highly digital and social audience. We built on our discoveries to develop the "Brave the Shave" initiative; a campaign that continues deliver funding opportunities to Macmillan to this day.
