# The Monks ~ ~ A brief history

More than one year has been traced for the formation of HAMBLE CLUB but it is 1969 that is presently deemed to be correct. Formed as Hamble FC they made steady progress through the Southampton Junior Leagues before merging with a Sunday team, called Hamble Club and adopted their name in 1981. From the senior divisions, Hamble Club were promoted to the Hampshire League in 1993. They moved from their Mount Pleasant base to the Old College Fields and made a further move to what was then known as the Shell-Mex Ground during the 2002/03 season which remains their present home. Wessex members between 2004 and 2007, Hamble became Hampshire Premier League founders but they failed to complete the 2012/13 season and had to start a division lower. But this heralded the start of an upturn as they gained four promotions in five years, including one in their first season back in the Wessex League in 2017.

The club was established in 1969, originally as a youth team. In 1993 they joined Division Three of the Hampshire League. The club were Division Three champions in 1996/97, earning promotion to Division Two. In 2004 the Hampshire League merged into the Wessex League, with Hamble becoming members of the new Division Three. In 2006 the division was renamed Division Two, but at the end of the 2006–07 the division was disbanded and the club became founder members of the Hampshire Premier League.

Hamble pulled out of the Hampshire Premier League during the 2012/13 season. Although they were readmitted the following season, they started in the newly formed second tier of the league, Division One. The club were Division One runners-up in 2013/14 and were promoted to the Senior Division and went on to win the Senior Division in 2014/15. After finishing third the following season they were promoted to Division One and then were Division One champions in 2016/17, earning promotion to the Premier Division.

AFC Stoneham enter the 2024/25 season with more than 130 teams and 1600 players.

The Club was founded in 1919 as the Royal Engineers (Ordnance Survey Office) FC by soldiers returning from the First World War, although there is a record of matches being played by Ordnance Survey Royal Engineers against The Gentlemen of Tenby in 1888.

The club joined the Southampton Junior League in 1919 and began a long association with the Civil Service Ground. Nicknamed 'The Mapmakers', it's believed they merged with the Post Office Team when they moved to the Civil Service Ground and formed a new club, Southampton Civil Service, in 1923/24 and finished fourth in the West Division.

The Royal Engineers (OSO) split from the Civil Service side the following year with no automatic entry to the Hampshire County Division to the frustration of both clubs. The Royal Engineers (OSO) and Southampton Civil Service continued to use the Civil Service Ground and developed a rivalry in the Western Division with the ascendancy shifting one way and then the other. The club simplified its name in 1929 to Ordnance Survey

Success became hard to come by although the reserves won the Southampton Junior 'B' Cup in 1937. The club switched to Sunday Football from 1960 to 1966 then returned to Saturday's re-joining the Southampton Junior Division 8. The club swiftly worked their way through the junior ranks and achieved promotion to the Premier

Division for a short period in 1973. The club won the Senior Division One title twice in 1982/83 and 1992/93, and the Reserves lifted the Junior 'A' Cup in 1993. The club grew in size from that year with a 3rd XI and a veterans XI being formed.

The first team won the Premier Division of the Southampton Senior League in 1996/97 which took them back into the county fold. The club just missed what should have been a unique treble, each time they have joined the league in their own right they have finished runners-up in their first season.

In both the 1921/22 and 1924/25 seasons this feat was accomplished but they were just two points short of repeating this in 1997/98. However, this was put right the following season as they finished runners-up to Clanfield in 1998/99 and gained promotion to the newly formed Hampshire League Division One.

By now the club had realised that a stable future lay in the hands of young players and set up a youth policy starting with an Under 16 side in the first year and an Under 18 side starting in 1998. This proved a great success as the U18 side won the Southampton Youth Division Three at the first attempt, gaining promotion to Division Two. Even though the 1998/99 season was a great success for the club on the field, an era ended as the Civil Service Ground was closed at the end of that season. Fortunately, with the help of the local council, 'Survey' were relocated to Lordshill Recreation Ground. The club knew that this was to be a temporary arrangement and moved to their new home ground at Stoneham Park in 2002.

The First Division of the Hampshire League proved to be too strong and the club were relegated in their first season at the higher level (1999/00). Positions of 11th, 8th, 4th, and 6th were attained before the formation of the Wessex League Third Division in 2004/05. The team finished 13th and 12th in that league before opening a new chapter in the club's history by changing its name to Stoneham in 2006.

After finishing 14th in the Wessex League Second Division, in 2006/07, the club along with sixteen other teams became founder members of the newly formed Hampshire Premier League which was set up following the dissolution of the Wessex League's bottom division. During the 2007 close season the club decided to enhance its name by adding 'AFC' to Stoneham, which had an immediate effect with AFC Stoneham winning the Hampshire Premier League in the 2007/08 season and reaching the final of the league's Senior Cup, just missing out on an impressive double.

Further success followed in 2011/12, having moved again to Jubilee Park the previous season, with the Reserves completing a League and League Cup double and the U16 team winning their League for the third season in a row. The First Team also went to St Marys in the Southampton Senior Cup Final for the first time and beat Bush Hill to achieve their highest honour to date. The club also combined with Granley Rovers FC, incorporating a complete youth set up into the club which now provided football from minnows through to veterans.

The success of the previous season was continued into 2012/13 with the club joining an elite list of teams who have retained the Southampton Senior Cup with a win against Brockenhurst on penalties.

In 2015, the Club earned promotion to the Wessex League whilst winning the Hampshire Premier League Cup for the second time. The club finished 8th in their first season in the Wessex League Division 1. This season also saw the first Ladies team competing in Hampshire Women's Division 1.

Season 2016/17 saw us switch on our brand new floodlights on October 6th 2016. The first team ventured into the FA Vase for the first time in our history, navigating past Malmesbury Victoria and Longlevens, both from the Hellenic League, before losing to Shaftesbury. We beat Aldershot Town 5-0 in the Russell-Cotes Cup before losing to Southern League Premier Gosport Borough 3-2 in the quarter final and went out at the same stage of the Hampshire Senior Cup 2-0 at Basingstoke Town. Our Reserves, with the emphasis now very much on developing young players from our youth system, reached the final of the Wyvern Combination Cup losing 2-1 to Southern League Petersfield Town. Our First Team finished 8th again in our 2nd season in Wessex Division 1.

Season 2017/18 saw us improve our league position to 5th whilst reaching the final of the Russell-Cotes Cup, losing to Wessex League Premier Champions Andover Town 1-0 in the final at their ground in front of over 500 people. We enjoyed memorable nights on the way to the final, winning 4-3 at AFC Portchester in the quarter final and 3-1 at AFC Totton in the semi-final.

During the 2018/19 season, the first XI went 20 league games without defeat, one of only three teams at our level in the country to do so as we pushed for promotion to the Wessex Premier League.

For the first time in our 100 year history we entered the FA Cup as one of the lowest ranked teams in the competition and had tremendous victories at AFC Portchester 3-0 after a replay and 2-0 at home to Evo Stick South League Westfield from Woking. Sadly, our adventure was curtailed by Cirencester Town in the next round at home in front of over 350 supporters. Prior to the Cirencester game, and as the lowest ranked team left in the competition, we had a visit from the FA Cup with many of our junior players and First Team present for photos on a memorable day which brought the club both TV and national newspaper coverage. Our first ever FA Cup adventure will live in the memory for a very long time.

We finished 2018/19 with a Southampton Senior Cup Final at St Marys Stadium where we unfortunately lost 3-0 to Alresford Town. The cup run to the final saw us win at both Wessex Premier League Lymington Town and Hamble before winning a memorable semi-final against Winchester City 4-3 having been behind three times and winning in the 94th minute with a Ben Clarke goal.

The club was crowned Wessex Division One champions on another memorable night at Totton & Eling where we clinched the title with a 3-3 draw having played three games in five days. The 2018/19 season was undoubtedly a fantastic one for the club allowing us to take on the challenge of the Wessex Premier League for the first time in our history.

Our first ever season in the Wessex Premier League was curtailed due to the Covid-19 pandemic. However, we took huge positives from the season sitting 2nd in the league when lockdown determined that the season became null and void.

We had already moved to our new £10m home in the January whilst still maintaining our old Chestnut Avenue ground for pre-season training and games prior to its sad closure in October 2020.

The old ground will always be remembered with huge affection as the place that the club wrote our recent history and was allowed to grow and develop whilst we remain very ambitious to progress further in our new home.

Due to Covid-19, the 24/25 season will only be the club's fourth full season in the Wessex Premier League, having finished fifth in 21/22, third in 22/23 missing out on promotion due to goal difference with 95 points whilst lifting the Russell-Cotes Cup, and second in 23/24 again with 95 points but eventually succumbing to Shaftesbury in the play off final.

The 23/24 season will however be remembered very fondly following a great FA Cup run that took us to the 2nd qualifying round, a club record, having beaten Melksham Town 5-1 and then Basingstoke Town, who play two tiers above ourselves, 5-4 having been 4-1 down with 40 minutes remaining, and we also missed a penalty in that time!

Our exploits were rewarded with a "plumb tie" away to Yeovil Town in front of 2500 supporters on a day never to be forgotten. On the same day nine years previously AFC Stoneham had played Overton in the Hampshire League with our players paying £5 to play whilst Yeovil Town were playing in the championship v Sheffield Wednesday at Hillsborough in front of over 22000 fans, the magic of the FA Cup.

The club enter the 24/25 season with optimism and look forward to its adult and youth sections continuing their growth and progression.

## Matt Badcock

I will make the tea and you bring the biscuits – that was the message from Dean Brennan last week when we asked the Barnet boss if he had time for a cuppa and a chat.

He had more to offer than that, throwing open the Hive's doors for a full day to see their preparations for a big National League clash with Solihull Moors.

It's what we all love about Non-League football. Even at the top table, managers are so affording of their time and generosity.

Last season Barnet missed out in the play-offs – ironically to Solihull – and the previous year their hopes were ended by Boreham Wood.

But the Bees are edging ever closer and that relaxed feeling around the camp was clear to see.

Will they win every game between now and the end of the season? Almost certainly not and there will be bumps in the road. York City and Forest Green Rovers hold the same title ambitions and there are a whole number of clubs determined they hold League Two status next term.

Brennan, of course, has done the hard yards. He's turned down the chance to be an EFL manager already, staying loyal to Barnet in the hope he can be the manager to take them back into League Two.

Brennan, 44, knows what this part of the season is all about. He took Hemel Hempstead from the bottom of the Southern League into the Conference South in his first job and, after some big learnings at Billericay Town and Kingstonian, then won Step 2 with Wealdstone.

Although an FA Trophy winner with Grays Athletic, Brennan says he didn't live right to maximise his playing career. It's why he's so driven in his management career – one that actually started in Sunday League alongside his Non-League playing days.

"I wanted to get used to speaking in front of a group," Brennan tells The NLP. "Because being a player and saying, 'Oh can we do this, gaffer?' it is totally different to standing up in a changing room and seeing 16 faces staring back at you. Now the squads are even larger.

"You saw me earlier doing video analysis and speaking in front of the players. It's understanding where they're sitting because it's important how you get that communication across. I don't want to be turning around saying, 'Matt, Matt, where are you Matt?' You look like a right idiot. Rather than knowing where you are and saying, 'Right, Matt, this is what we want you to do'.

"I know where everyone is sitting. All those things I learnt early and it's important because it's hard speaking in front of a group.

"If you're a con man, they will know you're a con man. Footballers know if you're spoofing them and bluffing them.

"I just wanted to get that right. So I did player-assistant at a couple of clubs. Way lower down at Dunstable Town and Aylesbury Vale, then I started doing my badges and Mr Boggins (Hemel chairman Dave Boggins) gave me a chance."

The game has changed greatly since his first break. Brennan recalls shouting and screaming back in those days.

"It's amazing, now I don't even do team-talks before games," Brennan says. "When I started out in management and was part-time, we used to do the phases of play in the warm-up so I could get it into the players' heads. We'd be doing attacking phases, shadow play in the warm-up because we didn't have enough contact time.

"Now the week is structured, we've got time, we've got recovery, we've got video. When you look at younger people, especially, now they learn a lot off their phones, from video, social media, YouTube. Does anybody watch Eastenders or Coronation Street? My Ma definitely still watches Corrie and Emmerdale! But, that's what I'm saying, it's generational so how it's changed is fascinating."

Brennan has grown and evolved with the times into one of Non-League's most talented and respected managers. Even in a busy week, he's still got time for a cup of tea with The NLP – and a biscuit, of course!

**A BIT ABOUT ME**

I played for Eastleigh Eagles youth, Compton youth. Then went into Mens football with Velmore, Capital, Compton Vets & finished at AFC Stoneham Vets. I didn't play at any level but just loved the game.

Also in that time done some Managing/Coaching with Earls youth, Botley youth, Otterbourne Res, Velmore, Sholing youth/Reserves.

I've watched Local Non-League Football for many years.

ThoseWhiteLines was formed 2018, I thought I could give something back by giving clubs on the local Non-League scene some more exposure by watching their games & doing live updates from the game, also taking some photos on my phone.

I watch from U18's to Adults football Saturday & Sunday League, Men's & Womens, also charity games, I just love the Game.

Then I thought I'd step it up & brought myself a camera so clubs/players could use my photos, I wouldn't call myself a photographer I just take pictures. Also I do a range of Matchday graphics for some clubs which helps them out. Programme covers for GD Programmes & im no graphic designer but the clubs like them. I share alot of content from clubs as well to get their media out there. I mainly cover the Velocity Wessex League, Hampshire League, and Hampshire Combination League.

I couldn't believe how well my social media pages have attracted Followers. There's nothing better than Non-League Football right up close to the action.

I volunteer my services all my time and effort is free all I ask is a credit/mention.

It's been a great journey so far, long may it continue.

Thanks for taking the time to read.

## At the forefront of the fight against cancer.

Macmillan Cancer Support stands on the front lines of the fight against cancer in the United Kingdom. Committed to inspiring, supporting, and guiding anyone affected by cancer, Macmillan invests in everything from innovative fundraising strategies, to campaigns designed to shape the future of cancer treatment. They believe no-one should be forced to tackle this complex enemy alone.

The Macmillan community consists of millions of supporters, volunteers, campaigners, and professionals, all working to help patients and their families lead fuller lives. The Charity's work has already had a phenomenal impact on thousands of people located all over the United Kingdom.

### Inspiring change with innovative marketing.

One of Macmillan's biggest challenges revolves around the development of creative and inspirational campaigns, intended to drive support from millions of participants. The Charity approached Fabrik for our help designing an experiential and interactive marketing campaign that would boost brand awareness and word of mouth marketing.

Our initial "Shave or Style" campaign highlighted a clear desire for supporters to get involved in a bold new movement, that would connect with a highly digital and social audience. We built on our discoveries to develop the "Brave the Shave" initiative; a campaign that continues deliver funding opportunities to Macmillan to this day.
